

Visualização de Dados - Steam Módulo 3 - Web Dev

Grupo Steam

Quem Somos

Somos a **Steam Labs**. Uma empresa de análise de mercado de jogos, baseada em plataformas de games, em especial a Steam.

A empresa Joguinhos S.A. nos contatou para uma análise de mercado, baseada na plataforma Steam, para uma análise e visualização de dados para responder algumas questões pertinentes ao negócio e tentar determinar a nosso cliente se vale a pena ou não publicar e desenvolver seus games para esta plataforma.

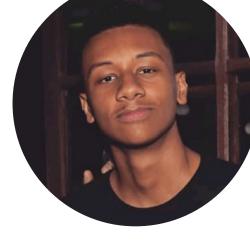

Para nos conhecer melhor, visite nosso site steamlabs.com.br.
